Notice

The School laws of Tennessee require that all warrants given for anything except teachers' salaries shall be countersigned by the county superintendent, and requires that he shall keep a record of all such warrants. It also places a penalty on the trustee for paying such warrants before they are countersigned. Therefore, do not present such warrants to the trustee until they have been first presented to the superintendent. This is a matter of law, and the law was made for the protection of the school fund, and while it adds more to the work of the county superintendent to do this, yet the law is specific in the matter.

Resolutions

Standing Sotne Chapter met at the regular meeting in June and passed the following resolutions: Resolved, That we as a Chapter send resolutions of sympathy to our brother and sister, Millard and Sallie Sehon, on the death of their dear mother. Our hearts go out to you, brother and sister, in this the greatest sorrow of your life. We have no words to express our love and sympathy, but we point you to the Father above who giveth, and taketh life. May we learn from the life of your dear mother to live prepared to go when He calleth for us, and may we live as she lived so the memory of us shall be one of a dear Christian gone home.

Resolved, That a copy of these resolutions be read in open Chapter, and a copy be sent to the county paper, and a copy to the bereaved children.

GOOD ADVICE FOR COOKEVILLE PEOPLE

People in Cookeville who have constipation, sour stomach or gas on the stomach, should use simple buckthorn bark, glycerine, etc., as compounded in Adler-i-ka, the new German appendicitis remedy. A SINGLE DOSE brings relief almost INSTANTLY because this simple mixture antiseptizes the digestive organs and drains the impurities. The Swallows Drug Co., Algood, Tenn.
